Summary of Program Evaluation

Asking Questions in Program Evaluation

Counterfactual: What would have happened without the policy?

Asking Questions in Program Evaluation

What is the identification assumption?

Asking Questions in Program Evaluation

**How close is the study's design
to a randomized trial?**

**How strong is
the identification assumption?**

Asking Questions in Program Evaluation

**What are the trade-offs
between research methods?**

KEEP
CALM

because

NOTHING IS
PERFECT
